

Classroom Community Countermeasures that Generate Success

Relating to Success[™]

Objective

During this workshop, through mini-lectures and interactive exercises, workshop participants learn to identify and overcome the blocks and barriers that can obstruct their capacity to build strong, harmonious, productive relationships.

Participants will be better positioned to achieve greater success by strengthening their ability to better connect, communicate, relate, resolve conflict and work more cooperatively with others.

Goals

-  Expand capacity to effectively communicate
-  Increase personal confidence for managing conflict
-  Strengthen relationships with peers, parents & pupils
-  Enhance team morale, performance and productivity
-  Innovative ways to create more cohesive business networks

ACCOMPLISH OBJECTIVES ■ ACHIEVE EXCELLENCE ■ ACTUALIZE POTENTIAL
